

# STILL WINES

Nannette's is one of our most celebrated wines and one of the country's most iconic rosés. It typifies our approach to small-batch winemaking, and the vineyard which bears its name is surrounded by nature and wildflower meadows.

For every bottle sold, we'll be donating to **Kent Wildlife Trust** to help return a local area of land to nature.

Authentically English,  
crafted in Kent.

*"Nannette's showcases the incredible potential, and quality, of English rosé"*

## **Fergus Elias**

Head Winemaker

Inspired by our homeland and elegantly pale in appearance, this still wine blend of traditional champagne varieties (Pinot Noir, Pinot Meunier, Chardonnay) captures the true potential of English rosé.

Bursting with delightful summer berry flavours and a refreshing zest, it originates from clay Hush Heath vineyards, ideally suited to produce this soft, delicate dry style. The wine's character resonates with the enchanting English summer fruit orchards that inspired its creation.

Since its debut in 2010, Nannette's has been one of Balfour's highly sought-after stars, eagerly awaited upon its annual release.

Weald, Kent,  
South East England.

**Vineyards**  
Highwood  
Baxter  
Hazelstreet

**Soil type**  
Wealden clay over  
Tunbridge Wells sand.

**Suitable for vegans**

# Tasting Notes

**Appearance**  
Dusky pink, with a touch  
of salmon.

**Nose**  
Subtle nose that is red fruit  
dominant with hints of  
strawberries, raspberries  
and rose petal.

**Palate**  
The Chardonnay contributes  
zippy freshness, lending a  
light, dry feel on the palate.  
Meanwhile, the Pinots  
infuse beautiful summer  
fruit notes, including ripe  
red cherry, raspberry and  
strawberry, complemented  
by an aromatic herb,  
especially thyme.

**Winemakers' food pairing**  
Light, pale styles of rosé  
have delicate aromas  
which can be overpowered  
by strong flavours.  
The structure and depth  
of Nannette's makes it a  
perfect companion to  
summer salads, light  
seafood dishes or soft  
cheeses.
